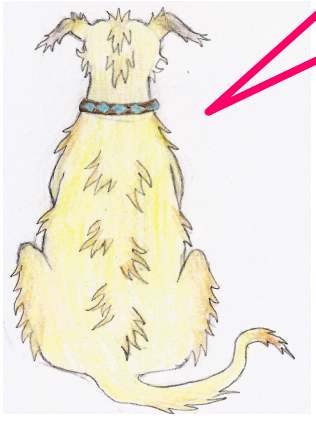
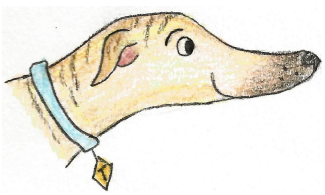
Here is Anoush having a nap in the field.

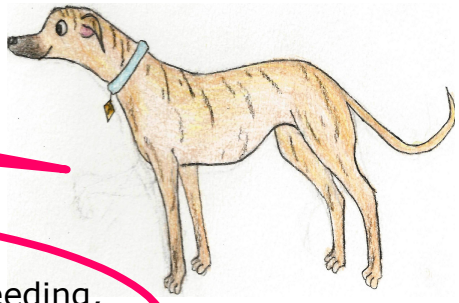


Anoushka Likes...
Learning new things.
Cantering with the herd, and with people.
Eating lots of tasty grass.
Having a doze while being groomed.
Being with Troy.

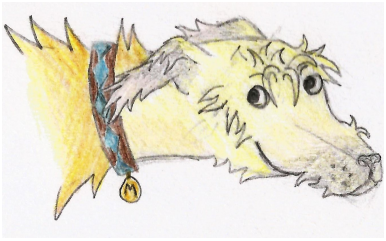


Anoushka's History...

Anoushka is a rescue pony from the Blue Cross. She started learning to be ridden with the Blue Cross, and is continuing her education with us.



We are not exactly sure of Anoushka's breeding, but it could include breeds such as the Gypsy Vanner or Miniature Cob, (both of which originate from the UK).



Minature Cob

Gypsy Vanner

What do you like about Anoushka?
What words would you use to describe her?
What other facts do you know about Anoushka?
What are her roles within the herd?
What are some things that Anoushka finds difficult?
